

## Lista wniosków rekomendowanych do dofinansowania

**Program/nr konkursu: V4-Korea Joint Research Program/ V4-Korea Joint Call for Proposals /konkurs nr 1**

<b>Lp.</b>	<b>Akronim</b>	<b>Wnioskodawcy</b>	<b>Status wniosku</b>
1	PPL	Chung-Ang University	rekomendowany do dofinansowania
		Military Institute of Engineer Technology	
		J. Heyrovsky Institute of Physical Chemistry	
		Polymer Institute	
		Wigner Research Centre for Physics, HAS	
2	RADCON	Yonsei University	rekomendowany do dofinansowania
		Institute of Fundamental Technological Research, Polish Academy of Sciences	
		Czech Technical University, Faculty of Civil Engineering	
		Slovak Academy of Sciences	
		Hungarian Academy of Sciences, MTA Centre for Energy Research	
3	MTB	Seoul National University/Bioanalytical Chemistry Laboratory	rekomendowany do dofinansowania
		Medical University of Gdansk	
		Institute of Analytical Chemistry, CAS, v.v.i.	
		Institute of Chemistry, Slovak Academy of Sciences, Dept. of Analytical Chemistry	
		University of Debrecen / Research Centre for Molecular Medicine	
4	BChER	Korean Research Institute of Chemical Technology	rekomendowany do dofinansowania
		Jagiellonian University / Medical College / Faculty of Pharmacy	
		University of Hradec Kralove, Faculty of Science	
		Semmelweis University	
5	i-AlgMemB®	Daegu University / Department of Environmental Engineering	rekomendowany do dofinansowania
		Nicolaus Copernicus University in Torun / Faculty of Chemistry, Membrane and Membrane Techniques Research Group	
		Academy of Science CR / Institute of Macromolecular Chemistry	
		University of Pannonia / Research Institute on Bioengineering, Membrane Technology and Energetics
